Salone del Mobile 2011 preview: The Wallpaper* Edit

TOD'S CENTRAL MILAN

Tod's will show its ongoing commitment to design during the Salone del Mobile with a specially commissioned piece of work in its Via Della Spiga flagship boutique. A symbol of the brand's worldwide vision, artist Felice Limosani's Globe is made from 17,756 wooden pencils in Tod's specific shade of orange, with continents made from erasers representing the pebbles on the underside of the iconic Tod's Gommino.
